Take the Step to Your Dream

Our tailored French programmes empower students to reach their goals, whether that's an exam, a Canada migration application, or genuine conversational fluency.

TEF Canada

Test d'évaluation de français assessing listening, reading, writing, and speaking — widely used for Canada Express Entry and citizenship applications.

TCF Canada

Test de connaissance du français, an alternative French proficiency test accepted for Canadian immigration and study permit purposes.

DELF / DALF

Internationally recognised diplomas certifying French language ability for study, work, or migration to France and other francophone countries.

General French (Beginner to Advanced)

Structured French learning for absolute beginners through advanced speakers, built for travel, work, or personal growth.

Why Choose Us

What Sets Us Apart

Personalized Learning Plans

We create customized study plans tailored to each student's current French level and end goal, whether that's an exam date or a migration deadline.

Expert Instructors

Our certified, fluent French instructors bring real teaching experience, guiding students with the same rigor we bring to our English test prep programmes.

Comprehensive Resources

Practice tests, study materials, and workshops built specifically around TEF, TCF, and DELF/DALF formats, plus general conversational French materials.

Flexible Scheduling

Flexible class timings and online options so working professionals and students across Nigeria can prepare without disrupting their schedules.

Supportive Community

A community of French learners across Nigeria, many with the same Canada migration or international study goals, learning and progressing together.

Proven Track Record

Built on the same track record that has helped thousands of Nigerian students pass IELTS, GRE, SAT, and TOEFL — now applied to French.
